How to Fix Our Broken Health Care System

STEVE HYDE KNOWS HEALTH CARE

"Steve Hyde is a fascinating speaker and one of the most original minds in health care."

Deanna Sibbald, The Chief Executives Organization

Available for Keynotes & Senior Executive Consultation

Steve Hyde customizes each speaking and consultation topic for the specific engagement, venue, and audience size.

Two of his most requested topics are:

The Two Most Important Questions in Health Care and Why No One Can Answer Them

If insurers and providers empowered consumers to shop for medical care the way they buy their food, clothes, housing, transportation, and recreation, they would get it at half the cost and twice the quality.

How America's Employers Can Pick Up a Ball They Long-Ago Dropped for Affordable Health Care

The employers that provide health insurance for half America's population have had the ability to fix health care for decades. What should they do and why haven't they done it?

Top 10 Questions for Steve Hyde Interview

1. Who should control health care spending?
2. Is medical care too complicated for consumers to shop?
3. What are the two most important questions a patient can ask in seeking care?
4. What are the top two causes of uncontrolled health care costs?
5. Why have our governments and our employers failed to contain medical costs?
6. Can only the government fix our broken health care system?
7. Are PBMs evil?
8. How can prescription drugs be more affordable?
9. Why are medical and drug prices hidden from consumers?
10. Is there really a shortage of primary care physicians?

HOW JEFF BEZOS CAN FIX HEALTH CARE

Leading the Transparency Revolution

Stephen S. S. Hyde

Praise for Steve's New Book

"A clear-eyed vision of American health care without the unnecessary cost and aggravation that we have today."

Joseph Antos, American Enterprise Institute

"Steve Hyde has focused his deep knowledge of healthcare finance and delivery and envisioned in impressive detail how the healthcare market can be transformed."

Marc Voyvodich, Stroudwater Associates
